

The adventure of the  
windmills.  
*Don Quixote de La Mancha*

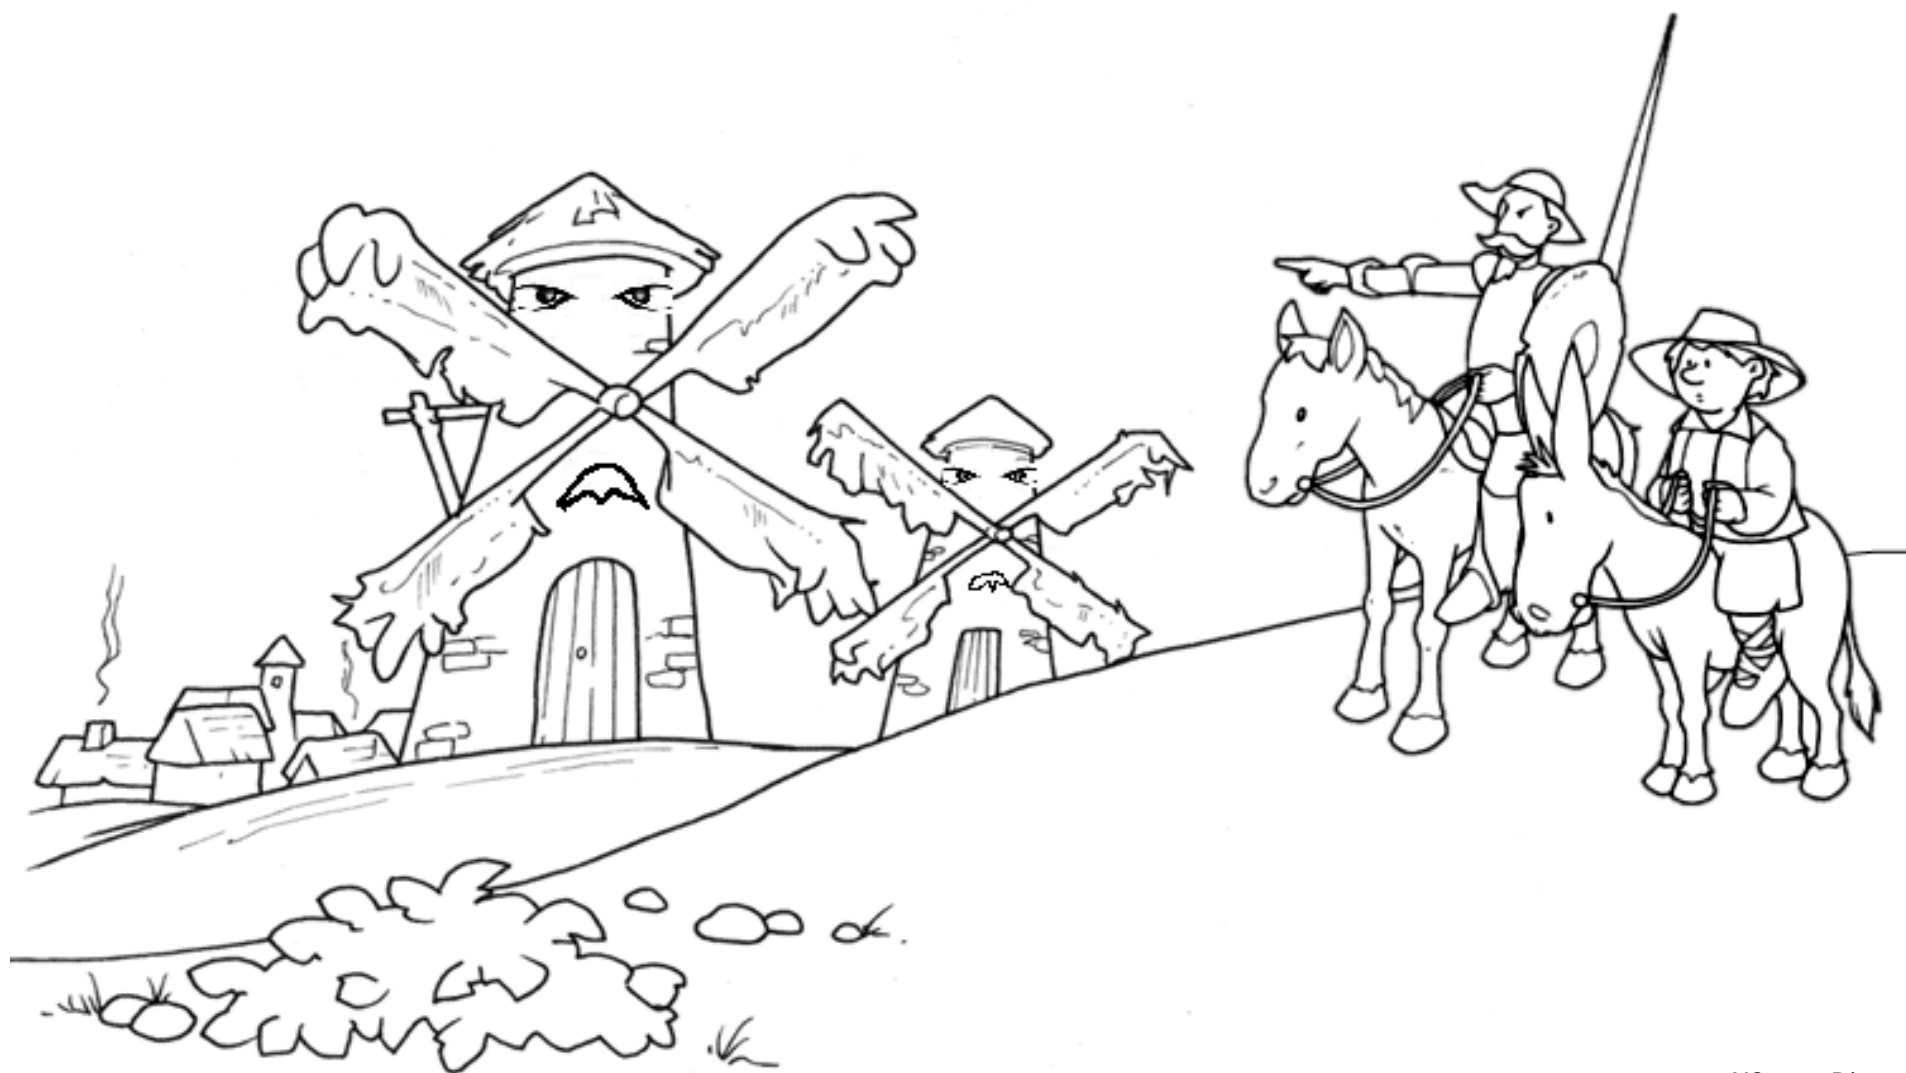

Miguel de Cervantes

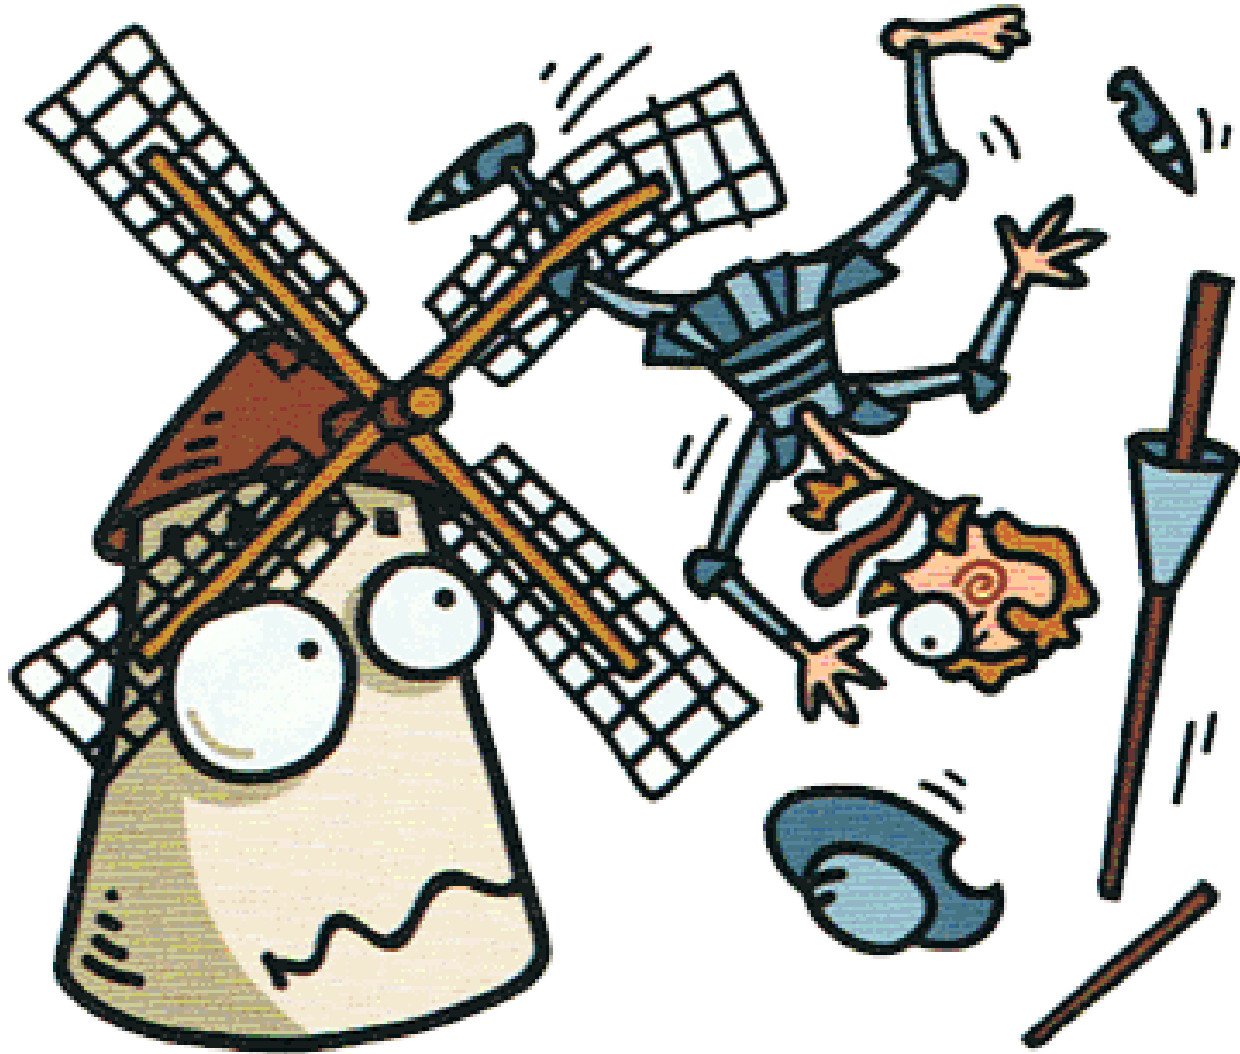

Don Quixote and Sancho saw some  
windmills.

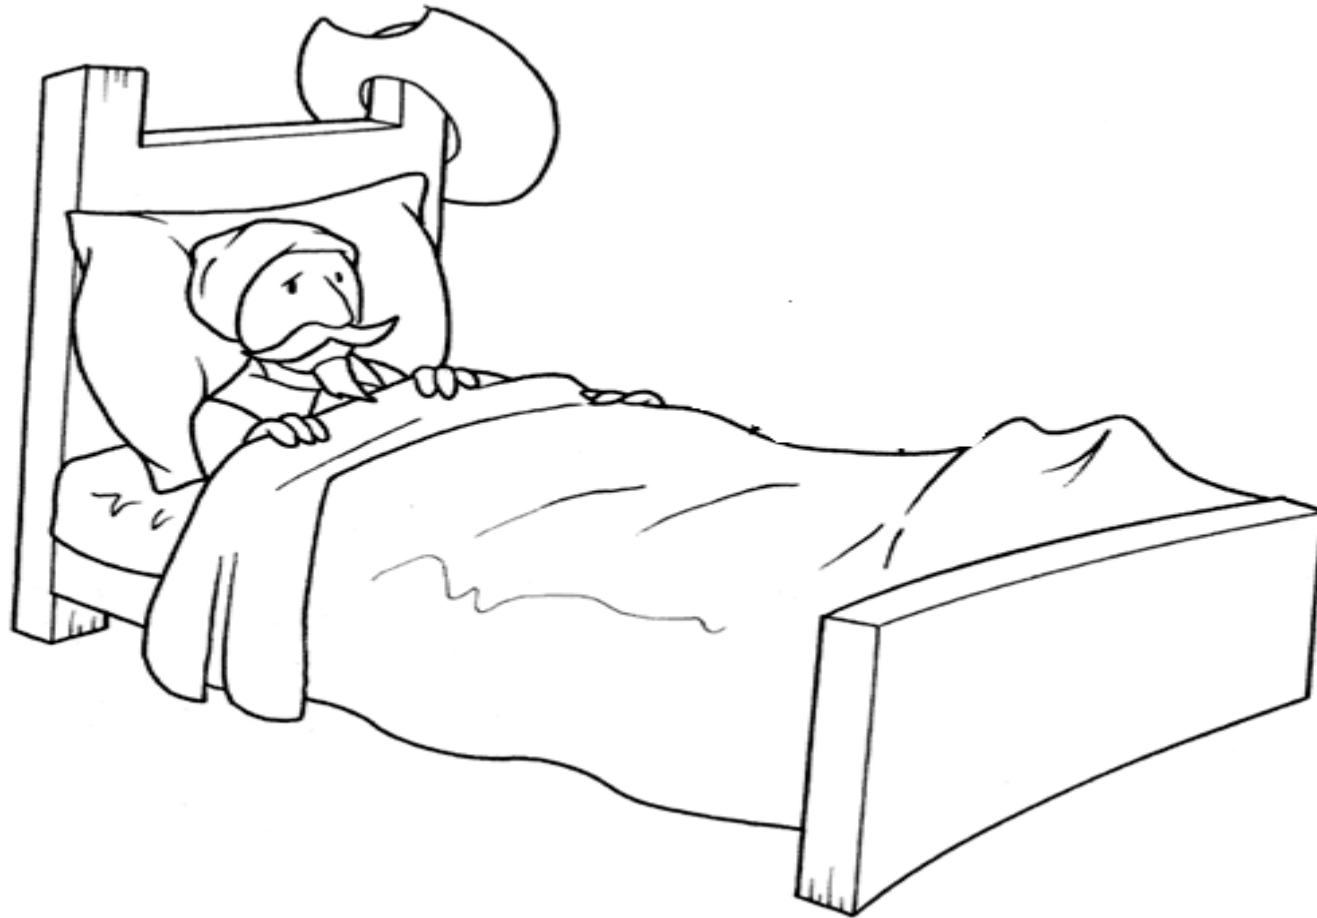

Don Quixote thought that the mills who attacked him were giants.

Don Quixote attacked the windmills with his  
spear and fell to the ground.

Sancho took Don Quixote to his home to heal of  
his wounds.

Write the name of these characters:

-----

-----

-----

- What did Don Quixote and Sancho see?:

- Did Don Quixote fight against the mills?

- Did he win the battle?

- What happened to Don Quixote?

We want to thank María del Carmen Pérez for giving us her permission to translate this tale.
