A row of eight rectangular boxes. The fifth box from the left contains the number '8'. The seventh box from the left contains the number 'll'. Dashed lines connect the bottom corners of each box to a horizontal base line. Vertical lines extend upwards from the base line to the bottom corners of each box.

				7	9		
--	--	--	--	---	---	--	--

A row of eight rectangular boxes. The fifth box from the left contains the number '7'. The sixth box from the left contains the number '9'. Dashed lines connect the bottom corners of each box to a horizontal base line. Vertical lines extend upwards from the base line to the bottom corners of each box.

The image consists of three horizontal rows of nine rectangular boxes each. The top row contains the numbers 3 and 8 in the third and seventh boxes, respectively. The middle row contains the numbers 13 and 14 in the eighth and ninth boxes. The bottom row contains the numbers 10 and 11 in the sixth and seventh boxes. Dashed lines connect the top boxes to the bottom boxes: from the first box to the first, second, and third; from the second to the second, third, and fourth; from the third to the third, fourth, and fifth; from the fourth to the fourth, fifth, and sixth; from the fifth to the fifth, sixth, and seventh; from the sixth to the sixth, seventh, and eighth; from the seventh to the seventh, eighth, and ninth; from the eighth to the eighth; and from the ninth to the ninth.
