SUMAS Y RESTAS

RESUELVE ESTAS SUMAS Y RESTAS:

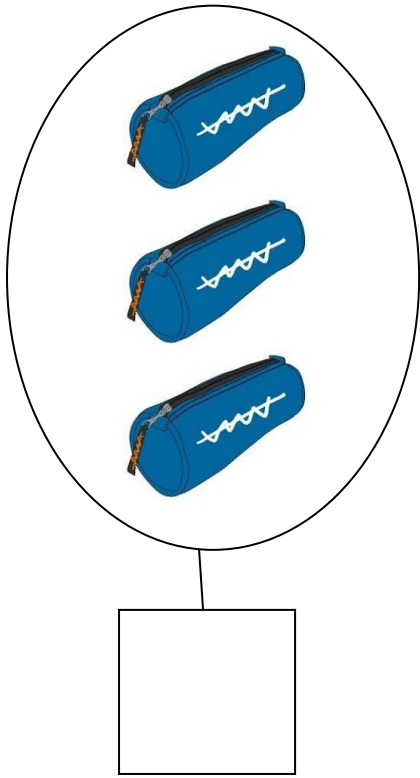

A visual addition problem. On the left, an oval contains 4 red books. In the middle, a plus sign is followed by an empty oval. To the right of the plus sign is an equals sign, followed by an oval containing 5 red books. Below each oval is a square box for the answer.

$$\text{4 books} + \text{0 books} = \text{5 books}$$

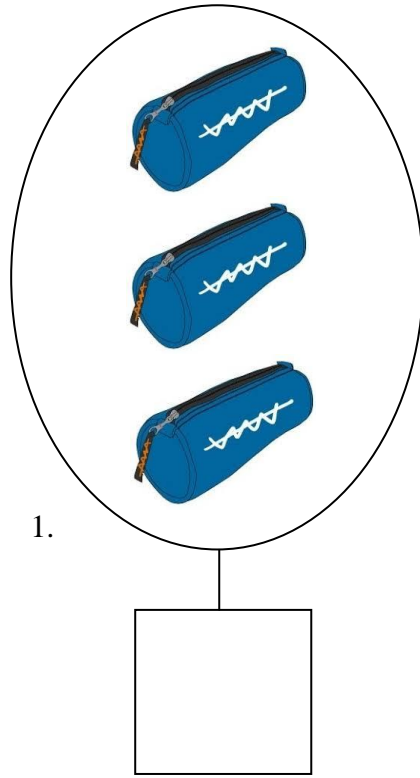

A visual subtraction problem. On the left, an oval contains 5 red books. In the middle, a minus sign is followed by an oval containing the number 2 and two 'X' marks. To the right of the minus sign is an equals sign, followed by an empty oval. Below each oval is a square box for the answer.

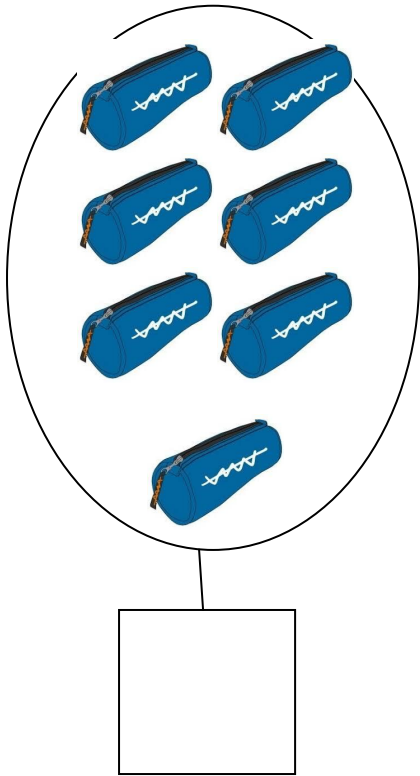

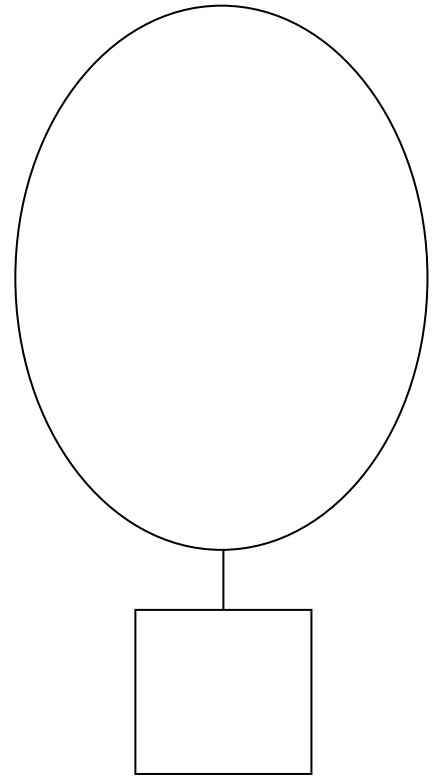

$$\text{5 books} - \text{2 X X} = \text{3 books}$$
